

A close-up photograph of a camera lens, likely a 50mm f/1.4D lens, mounted on a camera body. The lens is the central focus, showing its internal elements and the text '1:1.4 D' and '50mm' on the lens barrel. The camera body is dark, possibly black or dark blue, with a textured grip. A red shutter release button is visible on the left side. The lighting is dramatic, with a strong blue tint and highlights on the lens and camera body. The text 'STEVENAGE PHOTOGRAPHIC SOCIETY' is overlaid in a large, orange, sans-serif font on the left side of the image.
